

Customizing your Cobrander Administration Account

You can edit the default settings for your Cobranding Administration Account under Options->Cobranding

The screenshot shows a web interface with a navigation bar at the top containing five tabs: 'General', 'Events', 'Colors', 'Security', and 'Cobranding'. The 'Cobranding' tab is highlighted in orange. Below the tabs, the page has an orange background and contains the following sections:

- Information about your site**
 - Web Site URL:
 - URL to Your Logo:
- Custom Color Selections**
 - Page Background:
 - Menu Bar Background:
 - Content Pane Background:
