

Repositioning the Date labels on the Today+Happening Soon view

The default setting for the "Today+Happening Soon" (D2) style view looks something like this:

Today

Bingo at the Firehouse (7:30 pm - 8:30 pm)

Happening Soon

Sun, Feb 10

Slight Chance Wintry Mix
33°/22°
60%

Mon, Feb 11

Wintry Mix Likely
44°/31°
70%

Tue, Feb 12

Partly Sunny
41°/23°

Lincoln's Birthday

Wed, Feb 13

Slight Chance Snow
36°/22°
20%

Ash Wednesday
Town Hall meeting (8 pm - 9 pm)

If you want to fit it into a more narrow space, you can move the Date information from the left to the top like this:

Today

Bingo at the
Firehouse (7:30 pm -
8:30 pm)

Happening Soon

Sun, Feb 10

Slight
Chance
Wintry Mix
60%
33°/22°

Mon, Feb 11

Wintry Mix
Likely
70%
44°/31°

Tue, Feb 12

Partly Sunny
41°/23°

Go to Options->General and click "Show More" near the bottom of the page. Select the "Across the Top" option for "On the "Today+Happening Soon" view, show Dates" setting:
